Norfolk Public Schools To Provide Free Meals to Every Student

NORFOLK, VA – Norfolk Public Schools has received approval for all schools to participate in the Community Eligibility Provision (CEP) as implemented under the Healthy, Hunger-Free Kids Act of 2010. Enrolled students will be provided a nutritious meal for breakfast and lunch each day at no charge to the household. Households will not be required to submit a meal application form to receive meals at no charge. Each household will receive a letter informing them of the program, including contact information for any questions.

"Being able to provide free meals to all our students is an outstanding step toward ensuring equity and excellence for all," said Superintendent Dr. Sharon I. Byrdsong. "Nutritious meals are critical to make sure every student is healthy and ready to learn every day."

NPS has 34 sites offering grab-n-go meals for the first nine weeks of the school year, beginning on the first day of school, September 8.
